Important Announcement At the July 2018 meeting, the Clemson University Board of Trustees approved our proposal to rename the Department of Mathematical Sciences to the School of Mathematical and Statistical Sciences, effective Fall 2018. The launch of the School is now official as of October 1. Please bear with us as we update websites, links, contact information and other documentation to ...

Mathematical and Statistical Sciences | Clemson University

Mathematical analysis is the branch of mathematics dealing with limits and related theories, such as differentiation, integration, measure, infinite series, and analytic functions.. These theories are usually studied in the context of real and complex numbers and functions. Analysis evolved from calculus, which involves the elementary concepts and techniques of analysis.
