North American English (NAE, NAmE) is the most generalized variety of the English language as spoken in the United States and Canada. Because of their related histories and cultures and the similarities between the pronunciation, vocabulary, and accent of American English and Canadian English, the two spoken dialects are often grouped together under a single category.

Japanese American internment happened during World War II, when the United States government forced about 110,000 Japanese Americans to leave their homes and live in internment camps. These were like prisons. Many of the people who were sent to internment camps had been born in the United States and were citizens of the United States.
