The history of art focuses on objects made by humans in visual form for aesthetic purposes. Visual art can be classified in diverse ways, such as separating fine arts from applied arts; inclusively focusing on human creativity; or focusing on different media such as architecture, sculpture, painting, film, photography, and graphic arts. In recent years, technological advances have led to video ...

about. A long time ago, 33 years to be exact, Tour Itineraries were written on anything and everything, including napkins, take-out wrappers, and the back of the Road Manager's tee shirt. Everyone would jump on the bus hoping someone knew how to get to the next gig, what time breakfast was, and who they had to talk to get paid.. Then a frustrated but very savvy road hound named Campbell Hair ...
