The system of reservation in India consists of a series of measures, such as reserving access to seats in the various legislatures, to government jobs, and to enrollment in higher educational institutions. The reservation nourishes the historically disadvantaged castes and tribes, listed as Scheduled Castes and Scheduled tribes (SCs and STs) by the Government of India, also those designated as ...

Introduction - SLAC National Accelerator Laboratory

I'm looking at a "classic" process maturity assessment done by a consulting firm for a client, and what a useless document it is. I'm not saying who sent it to me or why or where from. That isn't important here because so many assessments are similar. Compare yours. The report analyses 8 practices. It doesn't say why those eight.
