If the music above is at about your level, then I know of one huge classical music collection that will knock your socks off! (so to speak. . .) It's the "Library of Easy Piano Classics" (there are two volumes in the series) and it is one of the only collections of easy classics that I recommend. Excellent arrangements (that's kinda important, eh?), perfect clarity on the page, spiral binding ...

Learning how to play guitar seems almost intuitive for beginner guitar players who have taken piano lessons.. But to a child encountering music training for the first time with a guitar in hand, using left and right hands independently, strumming rhythmically, learning what a chord is, reading notes and understanding their relationship to the guitar strings is a process shrouded in mystery.

The kora music being part of the oral tradition, its music was not written until the 20th century. The ethnomusicologists were the only ones to note some traditional airs in the normal grand staff method using the G clef and the F clef. Nowadays, kora scores are written on a single G clef, following the Keur Moussa notation system. This notation system was created for the kora in the late ...

Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...
