Technical: How to change gearbox oil on a Fiat Ducato 2.8

The 508 Balilla was a compact car designed and developed by Fiat in 1932. It was, effectively, the replacement of the Fiat 509, although production of the earlier model had ceased back in 1929. It had a three-speed transmission (increased to four in 1934), seated four, and had a top speed of about 50 mph (80 km/h).

This is when directors or writers release details about plots, characters, backstories, or other elements they thought about adding to the story at one point but ultimately never did. Unlike All There in the Manual, however, this new information is not released as Word of God with the intention of ...
