

PERSONALITY DEVELOPMENT ELIZABETH B HURLOCK

personality development elizabeth b pdf

Personality disorders (PD) are a class of mental disorders characterized by enduring maladaptive patterns of behavior, cognition, and inner experience, exhibited across many contexts and deviating from those accepted by the individual's culture. These patterns develop early, are inflexible, and are associated with significant distress or disability. The definitions may vary somewhat, according ...

Personality disorder - Wikipedia

Antisocial personality disorder (ASPD or APD) is a personality disorder characterized by a long term pattern of disregard for, or violation of, the rights of others. A low moral sense or conscience is often apparent, as well as a history of crime, legal problems, or impulsive and aggressive behavior.
