Comprehension strategies are sets of steps that good readers use to make sense of text. Comprehension strategy instruction helps students become purposeful, active readers who are in control of their own reading comprehension. The seven strategies here appear to have a firm scientific basis for improving text comprehension.

Seven Strategies to Teach Students Text Comprehension

Reciprocal teaching refers to an instructional activity in which students become the teacher in small group reading sessions. Teachers model, then help students learn to guide group discussions using four strategies: summarizing, question generating, clarifying, and predicting.
