Voices of Babylon is the third studio album by the British band The Outfield, released during the spring of 1989 and which spawned an eponymous single. It was the group's last album to feature drummer Alan Jackman until the release of Replay in 2011. It was also their final album on the Columbia label. Following the album's release, and with their commercial success slipping, the band parted ...

Choir Singing Voice Types – Power of the Masses! Choir Singing refers to a group of people singing together in a chorus of voices, often with harmony parts (3-part, 4-part or even more) designed to make the choral songs sound full and colourful!. Choirs can perform with or without music accompaniment, either going A Cappella (without music) or with basic keyboard, organ or guitar accompaniment.
